

DEAR MISTER PRESIDENT

As the world knows you will skip the UN Climate Action Summit 2019 in New York.

We won't.

Actually, we are more than happy to present our activities for climate-neutral and sustainable entrepreneurship as a representative of Germany on the occasion of the UN Climate Action Summit 2019 hosted by the Secretary-General of the United Nations, Mr. António Guterres.

Not because we have the perfect answer. But because we take climate protection seriously and work on it every day.

Like everybody should do. Even presidents.

Sincerely,

Dr. Hermann Sommer
